## Mastermind Education Services

Mastermind provides course studies on the various subjects related to Networking & System Administration and Network Security. We have an exclusive contract with [Santa Clara Adult Education](#) to provide Network Security, Advanced Linux/Solaris and Practical "IT" trainings.

If you wish to save on time and travel, through our Mobile Training Facility we can send a training center at your doorstep.

**WHY NOT USE THE TRAINER WHO KNOWS THE PRODUCTS WELL ENOUGH TO TEACH IT?**

**HE MAY BE TRAINING YOUR NEXT CONTRACTOR.**
